

Sage Port Area Emergency Evacuation

WHEN TO LEAVE

Leave early enough to avoid being caught in fire, smoke, or road congestion. **Don't wait to be told by authorities to leave.** In an intense wildfire, they may not have time to knock on every door. If you are advised to leave, don't hesitate!

WHERE TO GO

Leave to a predetermined location (it should be a low-risk area, such as a well-prepared neighbor or relative's house, a Red Cross shelter or evacuation center, motel, etc.)

HOW TO GET THERE

Have several travel routes in case one route is blocked by the fire or by emergency vehicles and equipment. **Choose an escape route away from the fire.**

WHAT TO TAKE

Take your emergency 72 hr. supply kit containing your family and pet's necessary items, such as cash, water, clothing, food, first aid kits, medications, and toys. Also, don't forget valuables, such as your computer files, photos, and important documents. Organize your family members, know where to meet if you are all not at home and make arrangements for your pets.
