- (a) votes in writing for such action;
- (b) votes in writing against such action, abstains in writing from voting; or
- (c) fails to respond or vote and fails to demand that action not be taken without a meeting.

The action will be authorized if the number of directors voting in favor of the action equals or exceeds the minimum number of votes that would be necessary to take such action at a meeting at which all of the directors then in office were present and voted. An abstention is not a vote in favor or against an action. Any action taken under this section has the same effect as though taken at a Board meeting. All signed written instruments necessary for any action taken pursuant to this section will be filed with the minutes of the Board meetings.

4.15 Compensation. No Director shall receive compensation for any service he may render to the Association in his capacity as a director.
